A Gathering of People Who  
Love Department 56 Villages

## *What is a Gathering?*

- People coming together to share Village collecting, display ideas and tips. Participate in seminars to learn Styrofoam carving, landscaping, modeling water, and lighting techniques to name a few. There will be hands-on make-and-take workshops and roundtable discussions.
- A time and place to meet collectors, Department 56 artists and representatives, and make new friends
- Join fellow attendees on bus tours of village displays in area homes and other local attractions
- Shop for new and retired buildings, accessories, and miniatures at the Gathering Marketplace, Room Hop, and local dealers
- Raise money for the 2019 charity, Leukemia & Lymphoma Society of Southwest Ohio, by participating in raffles, silent and live auctions. One of the 2019 live auction highlights will be a Christmas quilt made by Department 56's own Melinda Seegers, aka Ms. Lit Town!
- Purchase exclusive Gathering merchandise ... a Village event piece and collector pin.
- Enjoy banquets, contests, hospitality room, and more!

*Hope to see you there!*
